

3 October 1963

25X1A Dear [redacted]

Subject: Amendment No. 18 to Contract No. DK-3559  
Amendment No. 3 to Contract No. CA-20

Returned herewith are the original and one copy of each subject amendment, all fully executed. We have retained an executed copy of each for our files.

25X1A Amendment No. 18 to DK-3559 is corrected only as indicated by you and [redacted] when you were here. Also enclosed are the 3 copies of the corrected page for you to substitute in the 3 copies which you have.

Amendment No. 3 to CA-20 has been revised only to delete the further allotment of funds, as a result of our further study of the appropriate funding distribution. See the revised funding summary enclosed. Also enclosed are your 3 extra copies of the corrected page 2.

Very truly yours,

25X1A

[redacted]

Bob

## Category II - Services Primarily At The Contractor's Plant

25X1A

Item 5 - The Contractor shall, to the extent that in ~~his~~  
~~its~~ judgement it is necessary, inspect, test and repair  
 GFAE and GFP (including tool crib equipment) which is  
 returned from [redacted] or the Depot for that purpose.

25X1A

Item 6 - The Contractor shall provide security investigative services as necessary to maintain clearance for project personnel in accordance with the requirements of Project Headquarters and safety engineering services [redacted] to maintain the highest standards of safety commensurate with operating requirements. The Contractor may, with the approval of the Contracting Officer, subcontract such portion of this work as is required due to temporary overload conditions.

Item 7 - The Contractor shall provide telephone and TWX services to support the COMMO operations and to provide sterile telephone service for customer representatives located at the Contractor's plant.

## Category III - Supplies

Item 8 - The Contractor shall furnish such miscellaneous services, of kinds commonly referred to by the Contractor as "accommodation sales" and other such kinds as agreed upon including tool crib support items, as the Government ~~may~~ call for hereunder. Such calls will be written order lists; serially numbered by each location, issued by the Governments' Depot representatives (at the Depot and at the Area). Such lists may be in the form of teletyped messages."

3. Paragraph (a) of PART IV - CONSIDERATION AND PAYMENTS is deleted and the following is substituted therefor: *is not further revised by this amendment.*

"(a) There has been allotted for this contract the following amounts:

Amount	Amount	Amount	Amount
[redacted]	[redacted]	[redacted]	[redacted]

ILLEGIB

Batch 3 minor corrections to  
be made on Page 2.

Insert 20 Sept 63 date under contract?

We will wire you the control  
no. to insert opposite OYC

- ① Reverse 3 & 4 to maintain P & T  
② Delete away      → give  extra new Page 2 for signature
